

How can I cut my costs?

How do I connect?

How can I boost my business?

Where are the customers?

Where's the money?

Who can I talk to?

## 2010 SUMTER BUSINESS SUMMIT

The help you need when you need it most!

Together we'll reach the Summit & break the business information barrier. Network – Discuss – Come face-to-face seeking answers to problems – Receive and share the best business assistance. You will receive new and practical ideas, procedures and technologies – clarify your communications, cut costs, save money, improve profits and simplify the process. One-on-one, your concerns will be heard and your questions will be answered. Not only will you receive real help, but we'll get to know you, and you'll get to know us, so that we will better understand your personal challenges and your specific issues.
